The Clerk presented highlights of latest information re Planning; Enforcement and Tree Work Decisions and Updates, to the meeting, with particular reference to the Enforcement Appeal Notification - The Beeches, Romsey Road, Ower, Romsey, SO51 6AF - Alleged breach: Without planning permission the material change of use of the land affected for care and adult support purposes with associated stationing of a mobile home. The Clerk reminded Cllrs that this referred to a planning application the Council originally supported due to lack of information

at the time (July 2017), then on receipt of further information, made the comments in a letter to the NFNPA Planning Authority in February 2018 :-

17/00710 – The Beeches, Copythorne – Continued mixed use of land and siting of timber clad mobile home for Adult day care

Following determination of the planning application by the National Park Authority at its October Council Meeting, Copythorne Parish Council became aware that this development related to the retention of a timber clad mobile home and that the use of the associated land, which is agricultural, was for a new business activity in the New Forest outside the defined villages which would neither support the well-being of the local community, nor maintained the land-based economy or cultural heritage of the National Park and was, therefore, contrary to policy. We note the Authority has now had to take enforcement action as the owner/s declined to remove the mobile home, despite the refusal, and wish to state the enforced removal and planning position of the National Park Authority is fully supported by Copythorne Parish Council.

Advising the Council that only the original Council support comments and the contents of the subsequent letter would be automatically be submitted as part of the appeal process, the Clerk recommended to Council that a copy of the letter be submitted by the Parish Council in respect of this appeal.

RESOLVED: Proposed Cllr Coombs; Seconded Cllr Goodwin; Unanimous vote in favour of the submission of the letter dated 14th February 2018, be submitted as evidence to this enforcement appeal.

Full report to be found on website with copy of these minutes.

56. Agenda Item 7 – Confirmation of the Minutes of the previous Parish Council Meeting.

The draft minutes and revisions had been circulated prior to the meeting.

Cllr Goodwin raised a concern re the wording towards the end of minute reference 41, stating that he considered that responsibility for proof reading the newsletter should be carried out by a member of the Media Working Party, not all Council members and that not all members had access to the internet to monitor the website.

Cllr Herra reminded Cllr Goodwin that the review of the newsletter content by all Council members had been instituted at Cllr Goodwin's insistence and that the Council meeting dates had been moved to accommodate this in 2017.

Cllr Moriarty endorsed Cllr Herra's comments, pointing out that problems would arise if the designated "proof reader" was unavailable.

Minor amendments were made to the sentence.

Cllr Moriarty also advised that Cllr Goodwin was the lead Council representative for the North East Quadrant and not himself as implied. This too was corrected.

RESOLVED: Proposed Cllr Herra; Seconded Cllr Lucas; vote in favour of the Minutes being Confirmed and accepted with the above amendments with one abstention as did not attend meeting
