The Minutes were duly signed by the Chair.

Matters arising from the Minutes:

- Item 74 - Cllr Goodwin asked if the e-mail regarding the speed sign had been sent. Cllr Andrews confirmed that the sign is now working.
- Item 76 and 78 - Cllr Goodwin suggested a consistent approach is adopted to posting documents related to the minutes on the website.
- Item 79 – The Parish Hall Management Committee Constitution had been checked by the Chair to see what places were allocated to the Parish Council. Cllr Lucas said that since he had moved into the Parish Council Chair position on the Committee there was a co-opted member place now free, but it was for the Parish Hall Committee to decide who they wished to fill this. There is nothing in the Constitution that requires this to be a representative from the Parish Council. He would be advised at their next meeting what the outcome is.
- Item 80- The Clerk had reissued a schedule for Rights of Way Inspection reports; The Clerk has sent a letter to the landowner of Holly Farm regarding a damaged fence; The missing sign on Footpath 15 has been reported to HCC; The date error on the August newsletter on the website will be reviewed;

The Monthly Payment Schedule was agreed .Cheques and schedule were signed by Cllrs Lucas and Cllr Goodwin. Cllr Goodwin suggested that an extra column is added to the Payment Schedule to show VAT.

The Clerk advised the meeting that the bank statement for September had not arrived and therefore she had been unable to complete the Bank Reconciliation and the report of the Second quarter of the Budget. It was suggested that these are completed on arrival of the statements and that they are presented to the Finance Working Party in October who can, subject to their agreement, make a proposal that they are approved to the November meeting of the Parish Council. This was agreed. The Clerk pointed out that if the Parish Council had an on-line bank account then there would be no delay to accessing financial information and payments could be made on-line. The Auditor had been consulted about this suggestion and he had reported that a number of Parish Councils did use on-line banking.

- **RESOLVED:** Proposed by Cllr Chillcott and seconded by Cllr Goodwin that a procedure for on-line banking and appropriate sign-off pro-forma be prepared, in consultation with the auditor and then presented to the Council for approval as preparation for moving to an on-line banking account. - **Action : Clerk to advise Cllr Chillcott the budget allocation for telephone boxes.**

109 Agenda Item 12 – Village Signage

Cllr Herra had asked for this item to be put on the agenda following an article in the local paper about new signage at Landford. The Clerk had been in contact with Sarah Kelly, Landscape Officer for the National Park Authority to find out more about this initiative.

Landford had replaced 3 signs and had a new sign added. The Landscape Officer had worked with the designers and suppliers of the signs, whilst the Parish had found a local contractor to supply the wooden fence posts and install the signs. Each sign cost approx. £500. The NPA had contributed £1000 and the Parish Council had contributed the balance. The total cost of the project had been £1,823.30 (incl. VAT).

Cllr Goodwin asked how many signs would be needed in Copythorne Parish given that it consisted of several villages. There could be as many as 10 signs required for access points throughout the Parish. Some may need to be double sided. It was suggested that Cllr Herra look at a map and work out how many signs would be required and that he uses this to clarify his thinking on this proposed project prior to the meeting of the Finance Working Party who would be considering future budget allocation proposals.

- **Action: Cllr Herra to consider the detail of a proposed village signs project.**

110 Agenda Item 13- Logo Competition

Cllr Lucas reported the results of the Logo Competition as votes had been cast during the Parish Hall Community Drop-In event on the 15th September, and attendees were invited to vote on a preferred logo.

A total of 42 votes were cast as follows, with entries voted as follows:

Entry 1 - 5 votes; Entry 2 - 11 votes; Entry 3 - 12 votes

However, the most votes (14) were cast in favour of No Change to the use of the present logo. While this was not presented as a voting option, it was clear that many people have a fondness for the current logo and feel it should remain. However, several people suggested that it might benefit from a 'refresh' of the existing design.

- **RESOLVED:** Proposed by Cllr Chillcott and seconded by Cllr Coombs that the Council retain the current logo, but also to undertake a 'refresh' of it to improve the overall design. Unanimously agreed.

Councillors expressed their sincerest thanks to all those who took the time, great care and use of their artistic skills in producing their submission.

Working on a voluntary basis, the five members of our Cadnam Community team operate within the auspices of the NHS South Central Ambulance Service Foundation Trust SCAS. The number of volunteers needs building up and they need to fund raise to supply new volunteers with equipment.

The new trails will benefit from some route improvement, enhanced signage & information and, it is hoped, local residents leading guided walks along them. The end goal by December 2019 is to have produced five new 'self-guided' trails, on existing rights of way, across the New Forest National Park. Volunteers to be involved are now sought .
