

COPYTHORNE PARISH COUNCIL MEETING

TUESDAY 12th MARCH 2019

ITEM NO: 15– Annual Parish Meeting (APM) 26th March 2019

This report sets out the proposed agenda for items and timings for the APM on 26th March 2019

Information

The next Annual Parish Meeting (APM) takes place next year on the 26th March 2019.

The APM in 2018 was very successful as a showcase for activities and services within the Parish with a number of contributors making presentations. Billed as a ‘celebration’ event, it functioned particularly well in highlighting activities which often go unnoticed.

For 2019, we determined that a similar approach be adopted. There are a number of update items we can include, such as the Playground ‘first 6 months’ and presentations by groups which help us in the Parish and which have made some form or approach to the Parish Council in the past year or have asked for our support in some way.

There is, however, the need for us to also acknowledge that the APM takes place after the purdah period has started in the lead up to the local elections. Therefore, and having taken advice from the Monitoring Officer, we need to avoid any items which might be deemed contentious or promoting of an individual. Hence some items not appearing on the agenda which might have done in other years.

Following discussions, the final agenda is proposed below.

Theme

- 1. ‘Celebrating Parish Success and Those Who Help Us’**
- 2. ‘Your Parish - The Future: Have Your Say’**

The ‘Celebration of Success’ will comprise presentations and updates from those who lead them.

The ‘Your Parish – The Future: Have Your Say’ item will be a factual presentation inviting feedback over time from the community on a 5 Year Plan which will be developed by the newly elected Council leading to a final draft publication in September 2019 for consultation and endorsement.

Agenda

The current proposed agenda, which we will need to publish at the beginning of March, is as follows:

7:00p.m. – 7:30p.m. Refreshments provided by the W.I. (yet to be confirmed at the time of writing).

7:30p.m. APM starts
