As requested at the last meeting on May 9<sup>th</sup> I have sent the following letters:-

1. To Leslie Puttock to thank him for his service as a District Councillor
2. To Mike Moriarty to thank him for his service as a Parish Councillor
3. To Sarah Coombs to thank her for her service as a Parish Councillor
4. To Kellyn Lee to invite her to become a co-opted member of the Parish Council
5. To Stuart Bullen- Jarvis to thank him (and the "Parish Pickers") for the work they do and to ask if the Parish Council can be of assistance to the group.

As a result of the letter to Stuart Bullen-Jarvis a dialogue has been opened about possible support from the Parish Council which I will continue with him over the next few months.

I have received two e-mails from residents concerning flooding issues. These have been passed to Cllr. Goodwin who has indicated that he will be following them up as part of a substantive report from the Flooding Group at the September Council meeting.

I have received two e-mails from potential purchasers of Ivy Cottage, Barrow Hill Road, Copythorne enquiring of its planning history and possible conversion to a residential property. They have been directed to Development Control at NF NPA.

Copy of the May 2019 Beat Report received from PCSO Williams (uploaded to our website).

I have received an e-mail sent on behalf of the Copythorne Parish Hall committee concerning the state of the ground in front of the "Sports Wall" and the emptying of litter bins at the Hall. Both myself and Cllr Lucas have replied. This matter will need to be the subject of further discussion with the Hall Committee, Cllr Lucas as our representative on that committee will continue this dialogue.
