

Copythorne Parish Council – Tuesday November 12th 2019

Item 16 - Proposal for appointment of Parish Council representative to the New Forest Passenger Transport Forum

Background

Cllr. Chillcott in an e-mail of queries sent to me following the last Council meeting asked me when the next meeting of the New Forest Passenger Transport Forum (“NFPTF”) was due to be held.

Previously, former Cllr. Mike Moriarty was the Council’s representative on the NFPTF.

I contacted Emily Pain (Community Transport Project Officer at Hampshire County Council) who co-ordinates the meeting of the various Passenger Transport Forum that exist across Hampshire. She advised me that the last meeting was held in November 2018 and another hasn’t been planned yet due to HCC looking into a change of format for the forums. She has promised to contact me “..as soon as there is more information”.

As one of Cllr. Chillcott’s Areas of Responsibility for the Council is Transport I asked him if he would be willing to be our representative on the NFPTF. He has indicated he would be happy to undertake this role.

Proposal

Copythorne Parish Council appoint Cllr. Graham Chillcott as its representative on the NFPTF
