Burglaries: One home was burgled in December. The property, which is on the outskirts of Beaulieu, was empty at the time and nothing was stolen.

Thieves have been busy breaking into outbuildings though. An expensive bicycle has been stolen from Brook, while a bike taken from the Balmer Lawn Hotel was retrieved after the thieves left it behind when they were challenged. Other break-ins happened to sheds and garages in Ower, Minstead, East Boldre, Cadnam and Emery Down.

Theft From Motor Vehicle: 3 vans, 2 on the same night, were broken into at the SSE site on Castle Malwood Hill, while cars parked in the Andrews Mare, Bramshaw Wood and Broadley car parks and on the roadside at Cadnam, Lyndhurst, Exbury and East Boldre were also targeted. There was a rise in thefts from vehicles in the build up to Christmas with most of them involving the theft of presents left on display inside the vehicle. One of our challenges in the New Year will be to make even more people aware of the need to leave nothing on display inside their vehicles wherever they leave it and for however long.

In other incidents Costa Coffee was broken into overnight on 19th December and some money was stolen. If you have any information about who might be responsible for that theft then please call us on 101 and quote the crime number 44190454746.

Elsewhere a dumper machine from a site in Beaulieu, a tipper truck from a farm in Woodlands and a car from a house in Longdown have also been stolen as have two axes and a field battery in Minstead.

Windows at the village hall and a car windscreen in East Boldre have been smashed, a motorhome parked on a driveway on Woodlands Road has also had its windscreen broken, two vintage motorbikes have been taken from a farm in Cadnam and St Saviours Church hall in Brockenhurst was broken into overnight but nothing was stolen.

Also this month a car was seized and its driver arrested for having cocaine in his system while travelling through Ashurst.
