

## **COPYTHORNE PARISH COUNCIL MEETING TUESDAY APRIL 14<sup>TH</sup> 2020**

### **Item 12. Councillors Reports**

#### **Cllr Graham Chillcott**

1. Work on installing new lighting to the Parish telephone boxes in Windsor Rd and Pound Lane is on hold pending the return to normal working.
2. Following a public consultation exercise by BT the telephone box in New Inn Road is due to have its payphone removed. There is a BT notice in the New Inn Road box saying that the Parish Council is intending to take it over and asking for residents to comment.
3. I have reported the fallen traffic sign at the end of Barney Hayes Lane to Hampshire Highways.
4. The production of the Parish Transport Information leaflet detailed in my report on Community Transport to the Annual Parish Meeting has, for now, been put on hold.

#### **Cllr Lady Kara Hawks**

Nothing to report

#### **Cllr John Goodwin**

1. I have emailed Jemima Phipps of HCC's Flood and Water Management Team to ascertain if work on the Copythorne Flooding report can be progress during the current lock-down.
2. I am holding the printed copies of the Parish Flood Plan for later distribution.

#### **Cllr Steve Herra**

Nothing to report

#### **Cllr Jackie Rhodes**

I would like to say how impressed I am with our Parish in the way everyone is supporting each other. Whether it be organised support groups, family and friends, or neighbours - the community has really come together in these difficult times and I thank everyone for their efforts. I also thank our Clerk David Rigby who has continued to keep the parish councillors informed and up to date on all matters during the past few weeks of lockdown.

#### **Cllr Sylvia Wiggins**

Nothing to report
