

COPYTHORNE PARISH COUNCIL – MEETING 12th MAY 2020

ITEM 14 – COUNCILLORS REPORTS – GRAHAM CHILLCOTT

1. I have been approached by a local resident to see whether (once lockdown restrictions are relaxed) the Parish Pickers and Speedwatch volunteers could be asked to visit Ower. In particular the stretch of road between The Vine and the Mortimer Arms, where both litter and speeding are apparently a problem. Is this a just case of contacting the respective co-ordinators?
2. Phone box lighting is still held pending relaxation of lockdown.
3. I think it will almost certainly come up at the next 5 year plan meeting, so can we add Parish Design Statement update to the agenda for June please.
