

## **COPYTHORNE PARISH COUNCIL – MEETING JUNE 9TH 2020**

### **ITEM 17 – COUNCILLORS REPORTS – GRAHAM CHILLCOTT**

1. Phone box lighting is still held pending relaxation of lockdown. I will endeavour to speak to Chris Ford before the 9<sup>th</sup> June about when he might be able to recommence work on our phone boxes.
2. As all my fellow Councillors know I was horrified at the “Fly Tipping” I photographed at the entrance of Copythorne Common. Thanks to the help I received from Lady Kara, I was able to speak to the guys from Hampshire Wildlife Trust, whose splendid efforts resulted in tracing the owners of the rubbish (hopefully the removers will also be found). Also, my thanks to Cllr. Simon Lucas for the timely inclusion of the article on “Fly Tipping” in our Parish Newsletter.
