

COPYTHORNE PARISH COUNCIL - TUESDAY NOVEMBER 10TH 2020

Item 14 – To nominate three councillor representatives to join the NFNPA Forest North East Conservation Area Review Working Group

BACKGROUND

In an e-mail to me dated October 2nd 2020 David Illsley (NFNPA Policy Manager) advised that at the North East Quadrant meeting held on October 1st 2020 the proposed Forest North East Conservation Area review was discussed. He further advised that this work would be co-ordinated by the National Park Authority's Building Design & Conservation Officers (Emily Dee and Sally Knott).

He went on in his e-mail to ask that if there were Parish Councillors for Copythorne who would be interested in being involved in this future review to let him have their details. I subsequently ascertained that he was looking for 2-3 councillors from Copythorne Parish Council and the same from Netley Marsh Parish Council to work with his officers.

Following the e-mail exchange with David Illsley I sent an e-mail to all councillors detailing his invitation and inviting interested councillors to put their names forward. Expressions of interest were received from the following:-

Cllr. Graham Chillcott
Cllr. John Goodwin
Cllr. Sylvia Wiggins

RECOMMENDATION

That the three councillors named above be appointed as representatives of Copythorne Parish Council to the NFNPA's Forest North East Conservation Area Review Working Group

David Rigby
Clerk to Copythorne Parish Council
October 13th 2020
