

## **COPYTHORNE PARISH COUNCIL MEETING – TUESDAY MAY 4<sup>TH</sup> 2021**

### **Item 18 - Correspondence & Clerks Report**

**1. Drainage issues at The Parade, Southampton Road and Old Lyndhurst Road** – HCC Highways contractors visited the site again on Friday April 16<sup>th</sup> 2021 and with assistance from myself made progress in establishing more details of the drainage routes in the area. Another visit is planned before the end of April to undertake further jetting and surveying. I am continuing to liaise with HCC Highways regarding the resolution to this matter which appears to be getting closer.

**2. Advisory Committees** – The following meeting has taken place since the last Council meeting:-

Media & Publicity AC and Personnel & Governance AC April 22<sup>nd</sup> 2021

Agenda, meeting notes & papers will shortly be added to the Advisory Committees page of our website

I am aware of the following meetings that have been scheduled for the next few months. All are expected to be “virtual meetings” via Zoom:-

Five Year Plan AC and Finance AC	May 28 <sup>th</sup> 2021
Flooding AC	June 24 <sup>th</sup> 2021

The agendas and Zoom details for all of these meetings will be made available to the public via the Council’s website.

**3. Pavement and road surface issues – Pollards Moor Road** – Following continued contact with HCC (including with the HCC Executive Member for Economy, Transport and Environment) it is my understanding that the repairs to the road surface are scheduled for the end of April/early May 2021.

I have also been told that once the road surface repairs have been completed the footway width reinstatement works will be scheduled.

**4. Matters reported to HCC/NFDC** - Attached (as an Appendix) is a list of matters reported by the Clerk to HCC. Also included are matters reported by councillors or residents who have then supplied the reference number to me.
