

COPYTHORNE PARISH COUNCIL MEETING - TUESDAY 13th APRIL 2021

ITEM NO: 19 – Chairman’s Statement

1. PARISH HALL COMMITTEE

The Parish Hall Committee meeting will take place on the 12th April and thus no written feedback is possible for the inclusion in this report to the Parish Council meeting on 13th April.

The Chairman will make a brief verbal update at the meeting on 13th April.

Annual Parish Award 2021

The winner of the Award, Natasha Beatty, has now been advised via letter from the Chairman that following our consideration of the nominees she was overwhelmingly voted to receive the Award for 2021. The Chairman expressed, on behalf of the Parish Council, our appreciation of the work she has done on behalf of the Community and also advised that, in the absence of a March based Annual Parish Meeting, a suitable alternative will be identified in the near future to make the Award presentation. The Award has also been recorded in the April edition of the Parish Newsletter.

Congratulations to Natasha!

Bartley Village Sign(s)

At the time of writing, the Bartley sign(s) are almost ready to be reinstated, but the paint needs a little time to ‘cure’. It is possible that by the time of the meeting on 13th April, the signs will be back in situ, but this will depend on a range of factors affecting when this can be done. A verbal update can be given at the meeting.
