<b>Case Ref:</b>	CONS/21/0277 <a href="#">View request</a>
<b>Site Address:</b>	Bartley Manor Coach House, Bartley Manor, Brockishill Road, Bartley, SO40 2LN
<b>Proposed works:</b>	Fell 1 x Holly tree; Fell 1 x Yew tree; Fell 1 x Oak tree
<b>Reason for works:</b>	Holly and Yew - developed with a leaning form and the foliage is within 1M of the building and excessive pruning would be required to clear the access resulting in poorly formed trees thus it is preferable to remove and replace. Oak - suffered significant storm damage to the Northern stem. Again significant crown reduction would be required to maintain the safety of the tree. It would leave a tree with an asymmetric canopy biased towards the drive.
