

## COPYTHORNE PARISH COUNCIL MEETING – NOVEMBER 9<sup>TH</sup> 2021

### Item 9 - To receive a Climate Emergency updating report

The meeting on the 7<sup>th</sup> October went very well with 8 volunteers attending. Phase 1 of the Greening Campaign was discussed and plans for a Public Meeting initiated.

Phase 1 is all about 'Engagement and behaviour change by getting as many people as possible in the community joining together to make significant changes to their lifestyle'. To kick off this campaign a Public Meeting will be held on the 16<sup>th</sup> November 2021 at 7pm in the function room of the Empress of Blandings. Those attending will be invited to help choose a number of simple actions they consider to be most relevant to the community and which will enable people to make a difference to our environment.

Invitations to this meeting have been sent to local Councillors, schools, scouting and guiding groups, large businesses, churches, and some local community groups. Posters have been placed in all the pubs, shops, and on the Parish noticeboards. Articles have been placed in the Parish Council Newsletter. A new Facebook page called Greening Copythorne has been created and relevant articles posted.
